- CENTURY CLUB ~ \$100**
One Individual All-Sport Pass
Name in all published programs

The Bishop Moore Athletic Program has been ranked in the top ten overall programs in the state for the past twelve years.

The Athletic Association at Bishop Moore Catholic High School invites you to become a member of our booster family. The purpose of the association is to support the young men and women who represent the Hornets during athletic competition.

80% of your membership contribution goes directly to the sport or sports that you designate. 20% of the membership will go to the Athletic Association to help offset various expenses incurred during the year.

Some expenses which the association pays include: some transportation of our athletes to events, facility rental for water polo, swimming, tennis and softball; letters and awards for athletic banquets, training room expenses, FHSAA dues, FACA dues, state championship rings, printing costs, field paint for outdoor sports, concession repairs, athletic trainer, outdoor fields maintenance, and insurance coverage for athletes.
