**Please see me before you depart for summer break.**

I have created an AP Psychology GROUP so we can communicate during the summer and I may help you if you have any questions. Sign-in to join: STTV-4SJC-ZZS9M

Please Schoology message me if you have any questions this summer. If you email me for any reason, remember to cc a parent.

Be prepared for a full school year of hard work, knowledge acquisition, and most importantly a lot of fun!

You will be purchasing your books and the My Virtual Child program through EdTech.

*Please ALSO purchase My Virtual Child program through the Bishop Moore online bookstore.

*Additionally, purchase either Barron’s AP Psychology Exam Practice Book or the Princeton Review AP Psychology Exam Practice Book. These are two great review and practice workbooks to help you to prepare for the AP Psychology exam.

Additional supplies needed for class include: legal pads, colored pens, colored pencils, a 2-pocket folder for each chapter (15), blank children’s books (see me for sample) and large note cards (5’’x 8’’).

**Summer Assignment:**

1-Read and outline the chapter information packets for Chapters 1, 2, 3, and APPENDIX A-statistics in detail. Each chapter should be at least one legal pad. Write the titles and subtitles in different colored ink and then list the key points from each section below. Some students write the names of psychologists, dates, places, and vocabulary in different colors (not required). Create charts, graphs, diagrams, and drawings to assist you in learning the material. These notes will be used to take your first four quizzes and will be collected on the first day of school. You should have at least one page of notes per section (Ex: sec. 1.1 = 1 page…can be key points, a chart, diagram, etc…) (see sample notes pages in our Schoology group in resources).

2-RELIEVE STRESS…If you get your textbook early enough during the summer and you have extra time, outline as many chapters as you can to get a head start for the school year. We will be completing the entire book by May in order to prepare for the AP exam. 😊

3-Complete the AP PSYCHOLOGY PERSONAL SURVEY AND SCAVENGER HUNT PAGE This is attached, please complete on the attached page and turn in to me on the first day of school. These questions all relate to assignments you will be given to complete in AP Psychology so please answer them thoroughly.
