WOMEN IN SCIENCE SCHOLARSHIP

Dr. Mary R. Isaacs and Dr. Kathryn E. Miller recognize a responsibility to the Central Florida community by establishing the Women In Science Scholarship. We are privileged to participate as the sponsor of the **Women In Science Scholarship**. It is our desire to promote the education of young women in Central Florida by offering financial assistance through this Scholarship.

DEFINITION

The Women in Science recipient shall have the benefit of \$1000.00 scholarship to an institute of higher learning. This scholarship is offered to an outstanding high school senior female who has achieved academic merit.

ELIGIBILITY

All applicants should meet the following eligibility requirements:

1. Be a senior in an accredited high school.
2. Must be female.
3. Demonstrate proficiency in academics (minimum grade point average of 3.3 on the 4.0 scale).
4. Must be interested in pursuing science as a major in college.
5. Demonstrate an interest in extracurricular activities.
6. Must be available for a personal interview, if asked.

DISTRIBUTION OF SCHOLARSHIP

The presentation of the **Women In Science Scholarship** will be made in May and announced at High Schools Awards Day or other appropriate occasions.

INSTRUCTIONS FOR COMPLETING APPLICATION

1. Please type or print clearly.
2. Attach the following to the application:
 - a. Official cumulative transcript from high school reflecting grade point average through the first semester of the senior year.
 - b. Each applicant must write an essay of 500 words or more explaining what her long range college and career plans are. How will this scholarship help you achieve your career and personal goals?
 - c. Two written recommendations. One letter from each of the following:
 1. Teacher at the candidate's school from the science or math department
 2. Individual associated with the community outside the school environment.

DEADLINE: MUST BE RECEIVED BY Weds / MARCH 4, 2026/ 3PM.

Applications will be received solely from:

Bishop Moore High School
Lake Howell High School
Oviedo High School
Trinity Preparatory School
Winter Springs High School

Please return this completed form to your counselor.

The counselor will then return the completed application to:

Current unweighted official grade point average at the end of your first semester Senior Year. The GPA should not include grades for physical education or driver's education.

Senior Class Size: _____

Rank in class at the end of the first semester Senior Year: _____

Scientific Interest

Please indicate, by rank order, your top four areas of scientific interest:

Aerospace Engineering
Biochemistry
Biology
Botany
Chemical Engineering
Chemistry
Dentistry
Computer Science
Electrical Engineering
Environmental Science

Genetics
Geology
Laser Optics
Marine Biology
Mathematics
Mechanical Engineering
Medicine
Molecular Biology
Molecular Biophysics
Nuclear Science

Neuroscience
Nursing
Nutrition
Oceanography
Physics
Physiology
Psychology
Statistics
Zoology
Other (Be specific)___

Academic Background

Please list below any special academic experiences that you feel would aid the selection committee in reviewing your application.

Advanced/Honors Classes and College Credit Classes _____

Gifted/Honors Programs _____

Research/Science Fair _____

Summer Programs/Camps _____

Activities and Leadership

List below your non-academic activities. _____

Describe elected offices and positions of leadership:

School Related: _____

Community Related: _____

Work: _____

Other: _____

Questionnaire

1. What do you plan to do after graduation from high school? _____

2. What do you like to do in your spare time? _____

3. Who has influenced you the most and why? _____

4. Do you currently have a job? __Yes__ No
(If yes, where do you work and how many hours?) _____
