Leonard's
Senior Year will be an important chapter in your life filled with excitement, friendships and fun. Between Homecoming, finals and Prom, you’ll be making memories to last you a lifetime.

One of the first steps to kicking off your Senior Year is taking your Senior Photos. These are photos that help capture who you are, your style and what you love!

Leonard’s professional photographers are ready to give you a fun experience while also showcasing your personality and what makes you, YOU!

In this edition of Senior Focus, you will find detailed descriptions of all the different sessions that Leonard’s has to offer. Check out our “Outfit Inspo” section for outfit ideas and our “What to Bring” section for ideas on how to make your Senior session personalized to you!

Leonard’s
Your Official Senior Photographer for the Class of 2023
What is a Senior Formal?
Your Senior Formal photo is a rite-of-passage that symbolizes your last year of high school. This traditional headshot will serve as your yearbook photo for your Senior Year.

Do I get to choose the formal pose that will be in the yearbook?
Yes! You can select your pose on our website once your proofs are available to view. From there, you can choose which pose is right for you up until your school’s deadline. Make sure to select your pose as soon as you can! If you don’t, one of Leonard’s Senior Photography Experts will pick the best image for you.

When do I get my Senior Photos taken?
We recommend getting your Senior Photos taken as soon as you can! The sooner you do it, the less you have to worry about your school’s yearbook deadline. Our Senior Focus Studios are open all summer, or you can look out for photo shoot dates on your campus!

On the next few pages, you’ll find our session options. ALL of our sessions include your Senior Formal, so make sure to pick a session that will also show off your personality!

For every scene included in your session, you can change your outfit! Here are some outfit ideas to try for your session.

**FORMAL WEAR**
Suits or tuxes for guys, gowns and nice dresses for ladies. Think red carpet!

**FALL & WINTER**
Try showing off your winter style for your Senior Photos. Long sleeves, sweaters, jackets, scarves, boots, etc.

**SPRING & SUMMER**
Shorts, sandals, sundresses. Dress like you’re going to have some fun in the sun!

**SPORTS & ACTIVITIES**
Jerseys, uniforms, dance wear, costumes, club t-shirts. Show what you love doing or what you’re passionate about!
What to Bring

Sports Equipment
Balls, bats, oars, gloves, pads, shoes, surfboards. If it has to do with your sport or activity, bring it.

Class of 2023
Bring t-shirts, signs, banners, balloons, etc. that represent the Class of 2023. You can get creative with these and even try making your own!

Hobbies & Collections
Display what you love doing, whether that’s FFA, painting or photography. Try bringing your collections too: Shoes, medals, books, etc.!

Pets & Animals
Dogs, cats, snakes, horses; we welcome pets of all shapes and sizes at our studios! Just make sure your pet is with a responsible adult when they are not being photographed.

TIPS & TRICKS

Plan Your Makeup
If you want to try a new makeup look for your session, try practicing a few times beforehand to get it perfect.

Solid Colors
Try to avoid large logos and busy patterns when picking out your outfits. Classic textured fabrics such as cotton and denim are great options for your photo shoot!

Normal Hairstyles
Style your hair in a way that still looks like you. If you need a haircut, try getting it done at least one week before your appointment to give your hair time to adjust and look more like you.

Attention to Detail
Check nails for chipped polish and try simple colors that won’t distract from your outfits. Be mindful about going out in the sun before your session - nobody wants sunburns or tan lines in their Senior Photos!
