

# BMC CAMPUS MINISTRY

From small groups to mission trips to retreats and service opportunities, Campus Ministry serves our students and helps them encounter their fellow students, their community, themselves, and the Lord.

The mission of Campus Ministry is to serve the students, faculty, and staff of Bishop Moore Catholic through retreats, liturgies, sacraments, small groups, trips, and additional formation opportunities which facilitate an encounter with the Person of Christ and His Church. The Campus Ministry Team journeys with our community as we seek to be saints and learn to respond to the call of God who draws all people to Himself.

**SMALL GROUPS:** During lunches and after school, we offer small groups to help our students meet new people.

**RETREATS:** Each class has a day of retreat. Sports teams and clubs also have retreats as an opportunity for group bonding as well as spiritual formation.

**PRAYER:** We host various events and activities to better help our students encounter the Lord. Worship Wednesday is a weekly time of community, fellowship, and Adoration open to all students.

**MASS AND CONFESSION:** Our students regularly attend Mass and have the opportunity to speak to one of our incredible priests at any time.

**MISSION AND SERVICE:** Our students have the opportunity to participate in various service opportunities during their time at BMC.
