WHAT DO SCHOOL COUNSELORS DO?

Following the American School Counseling Association national model, school counselors develop and implement a comprehensive program to support the academic and social-emotional growth of all students by:

- Assisting students in course selection based on their strengths, teacher recommendations, and future plans.
- Providing support and assisting students in their course work through the use of FACTS/RenWeb resources and Naviance Student resources, and parent/teacher conferences.
- Providing academic support for students with learning differences in collaboration with the Academic Support Department.
- Monitoring academic progress and providing support with teacher/student relationships.
- Assisting students in planning for future educational/career goals through classroom presentations and individual meetings in collaboration with the College and Career Center.
- Supporting students in the development of their problem-solving and self-advocacy skills.
- Offering a safe zone for students to discuss issues of concern.

OFFICE LOCATIONS

The 9-10 School Counseling Office is located in room 501 on the lower level of Bishop Dorsey. The 11-12 School Counseling Office is located in the College and Career Center on the lower level of Loretta Hall.

We look forward to developing a collaborative relationship with you and your family during your time here.
