

Bishop Moore Catholic HIGH SCHOOL

Bishop Moore Families,

As you are aware, Bishop Moore Catholic is following the guidelines set by Superintendent Fortier and the state of Florida to continue **at home learning until May 1**. We have finished week one in our new virtual classroom and we would like to commend our students, teachers, and families for adjusting so well in this new environment. Amidst Schoology crashes and other technology glitches, we persevered!. We look forward to week 2, and can't wait to see the creative ways in which our teachers and students use this new platform for learning.

Many communications have been sent to parents over the past few weeks. To review all communications sent to our families, [please click here.](#)

Holy Week is one of the most sacred times of the year. The Church offers many beautiful

commemorations and services to help us enter into this blessed week. During this week, we walk with Jesus as He once prepared to lay His life down in love for us. In this moment of social distancing, let us draw closer to Jesus and hear the message He wants to speak to us. Sometimes it is difficult for us to experience the depth and power of this week in our own lives. Every day of Holy Week, our Campus Ministry team has prepared videos we will be posting to social media. In each one, our team will share how that particular day influenced their life. We will also share a few practical reflections you and your family can meditate on during this time to bring the richness of this week into your home. Please join Bishop John Noonan for all of the Triduum liturgies live streamed at St. James Cathedral. While we may not be able to gather in person this year, you will find invaluable resources to guide you through this incredible week.

Holy Week Liturgies can be viewed at any of the following:

Restaurants Open for Business

Calling all restaurant and eatery owners who are open for business!

In an effort to support the Hornet community, we would like to compile a list of restaurants and eateries open in the Orlando area for take-out and delivery. If you are affiliated with Bishop Moore Catholic in some way and own or manage a restaurant or eatery, please share your business details with us. [Click here to register your business](#).

While we are compiling this list, [here is a listing of those places in the College Park area](#) which are currently servicing these needs. Special thanks to the College Park Main Street Association for providing this resource.

The Guardian Angel fund provides financial assistance to BMC student's families who are in crisis due to an unexpected emergency. The purpose of the fund is to lighten a family's financial burden when facing serious illness, loss of employment, or other factors that affect their ability to pay school-related expenses such as tuition, technology, books, uniforms, lunch accounts, sports teams, and other essentials.
