Bishop Moore Catholic High School

To Our Community Business Leaders:

There are two primary markets in which to advertise your business. One major market is through the public media. However, the most valuable and inexpensive market is through local advertising. Please consider taking advantage of advertising your business in the Bishop Moore Catholic High School Yearbook. The students, staff and faculty will purchase this publication and by advertising in the 2020 *Moore Memories Yearbook* you will reach over 1,200 students and their parents. Since a yearbook is a publication with an average lifetime of 30 years, this advertisement lasts much longer than a newspaper, television, or radio ad. All sales go directly to the Moore Memories Yearbook Staff for the funding and production of the 2019 – 2020 *Moore Memories Yearbook*.

Thank You,

2019 – 2020 Bishop Moore Yearbook Staff
