

Dear Class of 2020 Families,

Below is the link for your graduation keepsake video. We hope you will view it as a family and cheer on each member of the Class of 2020. Bishop Moore could not be prouder of you!

Next week, we will provide the opportunity for graduates with their immediate family to come on campus to snap a photo during specific times and in designated areas. This is a reminder that this is not a professional photo shoot, yet it is an opportunity to have a keepsake. Each family will need to take pictures using their own phone/camera.

**VERY IMPORTANT:** Respecting social distancing considerations and concern for the health and well-being of others, please arrive and take photos only during your scheduled time and keep at least six feet apart from other families. BMCHS staff members will be there to direct and assist you. We ask that you wear a mask prior to and after your photos. Students are **not** to see this as an opportunity to take group photos with friends. These photo days are for members of your family household. By not following these directives, we could jeopardize any possible future gatherings. There will be sanitized diploma covers to use as props if desired. The Athletic Department will also place some goals and other equipment on the field photo shoot spot to be used as backdrops. Athletes are welcome to bring their own sport-specific gear to use in their personal pictures.

See the attached schedule for days and a map showing shoot locations.

Thank you for your anticipated cooperation as we find unique ways to create memories for the Class of 2020.

We continue to pray for your family. In addition, as this is Memorial Day Weekend, we say a special prayer for those women and men who made the ultimate sacrifice in service to our nation.

God Bless,

Administration
