Once a month, at the Taproom at Dubsdread, parents and friends of BMC get together to grow in faith while getting to know one another. The Gospel of Matthew tells us when two or more are gathered in God's name, He is there in their midst. (Matt 18:20). At these breakfasts, while listening to faith-filled speakers discuss a variety of topics, the Holy Spirit is palpable among us.

The events start at 8:00am, although many arrive earlier to drink coffee and chat with other parents. It's a great time to catch up and support one another through these high school years. Once everyone has filled their plates with a delicious Taproom breakfast, a speaker presents on a particular faith-related topic. There's always time for questions at the end, and everyone is able to leave by 9:00am, bellies and spirits filled!

"My wife and I believe in Catholic education which is why we chose to send our kids to BMC and I appreciate the fact that BMC is also educating us as adults with these gatherings."

Paul and Terry Bouchard

"Even though our son will be moving on to college this fall, The Catholic University of America, we both still plan to attend these wonderful, spiritual uplifting events during the next school year and hopefully beyond." Brian and Frances Giessuebel
