

Dear Bishop Moore Catholic Family,

May the peace of Christ be with you during these unsettling times. Today we are reminded that we have no control over tomorrow. **Each breath is a gift, and nothing earthly is promised. What IS promised to each of us is so much more.**

We started the year with such anticipation, saving the dates for all the great things to come. For our families, the experiences we anticipated and worked towards are changed, and with that comes suffering and sacrifice. This Lent, we are reminded of Jesus' suffering, but also the power of his promise. **A promise that never fails: With Jesus, suffering comes with redemption...Good Friday followed by Easter Sunday.** Although this road doesn't look as we anticipated, we can be assured that God's grace will be present to all of us on it, and that we are called to be witnesses of His love to others.

At BMC, **we promise to do everything possible** to continue taking care of our students, families, faculty, and staff, and with God's help and inspiration, will find ways to continue living our mission, even if remotely.

- Online student learning begins March 30 and will continue as necessary.
 - BMC is a one-to-one iPad school and we have in place a Learning Management platform that will allow for meaningful instruction between teachers and students.
 - Teachers are taking March 23-27 to prepare their distance-learning curriculum.
 - Our Campus Ministry team has plans to continue ministering to our BMC community through virtual platforms.
- We will follow directives from the [Office of Catholic Schools](#) and the [FDOE](#).
- Guided by decisions made by [The Florida High School Athletics Association](#), all spring sports are postponed.
- A complete catalog of all communications sent by BMC, can be found on our [website](#).

Bishop Moore Catholic is a family. Families help and support one another. During these uncertain times, some in our Hornet family may suffer a job loss or financial hardship. If you would like to support those families, we invite you to [donate](#) to our [Guardian Angel Fund](#) that assists BMC families that are experiencing temporary hardship.

If you would like to speak to someone in our [Advancement Office](#) with questions or concerns, please feel free to do so.

You remain in our prayers, and may each one of us **carry God's promise in our hearts** as we continue this journey together.

Yours in Christ,

Thomas Doyle
President

The God of all grace who called you to his eternal glory through Christ Jesus will himself restore, confirm, strengthen, and establish you after you have suffered a little.
