Looking at College

4-year College Minimum Admission Requirements

• 4 Math Credits – Algebra 1, Algebra 2, Geometry and one higher

• 2 World Language Credits – must be the same language in consecutive years

Meeting the minimums does not guarantee admission. Most students exceed the minimums.
Looking at College

Options to Consider

- 2 year vs. 4 year
- Admissions averages
  - Safety, viable, reach
- GPA calculation
- Testing requirements
Looking at College

Campus Characteristics

- Location
- Campus and class size
- Majors and programs offered
- Professor accessibility
- Support services offered
- Student Diversity
- Extracurricular activities
- Costs
Looking at College

Important Student Skills

- Independent Living
- Self-Advocacy
- Problem Solving
- Knowing and Utilizing Resources
Looking at College

Additional Things to Consider

- Plan junior and senior classes needed
- Social media presence
- Professional email address
- Balance is important

Sophomores-Fall
Welcome

Welcome BMCHS Sophomores!

Sophomore year is a great time to begin building your preliminary college list. With that in mind, you are now eligible to register through Naviance for any of the presentations given by visiting college representatives. Check Naviance frequently for the colleges/universities that the College & Career Center will be hosting. This is also the perfect time to check out some college campuses (in-person or virtually).
