

UPDATE ON 2020 SUMMER SCHOOL

After cautiously considering the current situation and its tentative state, Bishop Moore Catholic 2020 Summer Session has been cancelled.

Please see below for options available to students that were interested in enrolling in a course for the 2020 Summer Session. Some of these options are only applicable this year in response to this change. Please note that there are no opportunities to earn credits during the summer of 2020, but accommodations are being made available during the 2020-2021 school year and the 2021 summer sessions in order to meet student academic needs.

Please contact your school counselor should questions remain regarding student schedules.

Thank you for your understanding and continued support.
